clock tower.

Mr. & Mrs. and Mr. & Mrs. Johnson are in this  
neighborhood this week on business.

Some of our people are plant-

the above will travel the burning brands.

The residence of Mrs. Rachel McDonald, at Dunmore, was destroyed by fire last Sunday morning with all its contents. The fire caught from a defective gas, and the house being old and very dry it burned so rapidly that nothing could be saved. Her step son, Walter Bird, had just moved in a couple of days before all his goods were destroyed. His loss is about \$700.

Mother's Day will be observed in the day School service of the Academy M. Church, South at 9:45 a. m. Sunday, May 14th. A pleasing and profitable program will be rendered. All mothers tributed to the school are cordially invited, urged to be present. At 11 a. m. the day School assemblage will adjourn to the auditorium of the church where a program appropriate to Mother's Day will be concluded.

Elton Camp, No. 9766 M. W. of A. reception at their lodge room Wednesday evening in honor of neighbor J. A. Blatt, who leaves in a few days for fields of labor. A. D. Williams master of the evening and a half hour was spent by the members of the camp, the Royal Neighbors and a few guests. Refreshments were served and all present report an elegant

Sunday afternoon (May 14) at lecture will be delivered in the M. Church, South, by Dr. C. H. Chapman, of the University College at Richmond, Va., and professor of Materia Medica and Surgery in that university. The subject of the lecture will be "The Doctor and all are for him."

W. L. Williams, F. C. H. M. Abbott, Will Wood, F. H. M. George L. Wright, David Johnson, M. Carter, G. C. Auldrige, J. W. Baxter, J. W. Johnson, Wm. French, L. W. Humes, F. M. White, Fred P. Miller, J. H. Buckley, A. O. Baxter, Robert L. Johnson, W. J. Killingsworth, George Karr, E. N. Moore, H. G. Fisher and Sherman P. Curry.

#### ONOTO.

Giles Sharp, of the Fairview neighborhood, was on the creek looking after his stock a few days ago.

Howard Webb, of Kentucky, and Geo. Waugh, of Edray, passed through here recently.

J. W. Gilmore and wife, of upper Elk, spent Saturday night and Sunday with Mrs. George and W. H. Gilmore.

C. H. Taylor, of Elkins, was looking after his lumber interests here a few days ago.

Miss Edith Baxter is visiting friends in Elkins this week.

W. A. Beverage went to Hinton last week to see his wife who is in the hospital and reports her condition much improved.

Mrs. George Auldrige and Mrs. P. L. Carter were visiting Thomas Auldrige at Warwick the other day.

Corn planting is progressing very nicely about here the last few days.

W. C. Householder, of the Marlinton Meat Co., was a recent visitor in this section. He was looking after the wool business and informed the writer that he was ready to purchase every pound of wool produced in the county.

#### FROST.

We are having some dry, cool weather which makes grass and feed

very busy getting in.

The county court has a standing offer  
of \$100 reward for the apprehension of  
persons who wilfully set fire to the woods  
and this reward has been greatly increased  
by an offer from Mr. Hillay. If the  
guilty persons can be brought to justice  
they should be given the full extent of  
the law.

## ONOTO.

News is very scarce this week.

Farmers have their corn planted but it  
is most too dry to grow.

The fire has been doing great damage  
on Laurel creek. It has burned out sev-  
eral treaties for the Campbell Lumber Co.

Miss Edith Baxter returned Monday  
from Elklos where she had been visiting  
Miss Pearl Taylor for a week.

A. C. Barlow sheared his sheep this  
week.

W. A. Barlow has returned from Min-  
neapolis and reports that his wife is getting  
along nicely.

We have a very interesting Sunday  
school here and we hope it will go on  
continues.

Mrs. Hilda Auldridge has been suffer-  
ing with grip.

We have few prospects for fruit this  
year.

**Business Notice**—I have sold my gro-  
cery business to J. L. Sheets and will call  
on my customers in person, and will ex-  
empt payment of all accounts.—R.

## An Old Time Arm

Dear Mrs. ... of the ...  
on lower ... by ... in the  
presence of a ... which ...  
tured by Joseph Carper, it  
is not now definitely known  
known to have been made in  
the outbreak of the civil war.  
Carper was known as a  
most efficient gunsmith by reputation while he was in  
Judging from the materials  
displayed in this arm  
to-day doing as good service  
was first put to use. Not  
material of the best quality,  
mountings and trimmings  
to have been possessed of  
any artistic taste. That  
titles were appreciated by  
Guo had to prove its merit  
the fact that it was a  
prize without question at  
Salt Lake, now Roanoke,  
war, but the exact date  
available.

In the course of time the  
way into the family of  
McGinnis, of this city, who  
sul service for a long time  
into the possession of the
